PAW *Holding On To Yesterday*

Friendship

I thank you for the times you cared
And all the moments that we shared
I thank you for the memories
A friend to me you'll always be.

I thank you for your tenderness
That fills each day with happiness
A joy that lasts eternally
A friend to me you'll always be.

I thank you for just being there
And all the things you had to bear
And though there are times we don't agree
A friend to me you'll always be.

I thank you for the gift of love
A gift that's sent from Heaven above
A love that is of purity
A friend to me you'll always be.

I thank you for the things I see
And what our friendship shows to me
I'll thank you for eternity
A friend to me you'll always be.

WE PROUDLY DEDICATE THIS ANNUAL TO —

SHARING A COMMON *Style*

THE AFTER SCHOOL OCCUPATION

FUN WITH FRIENDS

Love is the smile of a friend,
 A helping hand
 Or when someone says,
 "I understand"
 It's that compliment you give
 When someone's feeling sad
 Or that bit of advice
 When troubles come on bad
 It's the touch of a hand
 But most of all
 It's helping out someone
 When they feel small

CLASS MOTTO

At first we were strangers, bound together by luck
Then gradually, painfully, happily, we became one.
A class all of our own
We shared our hopes and our fears,
Our laughter and our tears,
And our failures and successes,
But through good times and bad,
Joyful times and sad,
We all kept that one thing in mind,
Friendship

SCHOOL DAY MEMORIES

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone.
We're starting a new life,
We have to move on
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-by
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending-
Think a new life has begun.

INTRAMURAL BASKETBALL

AHS 1986-87 sports season began way back in August when the football and volleyball players began to practice for the upcoming season. Despite many injuries the entire football team had a superb season once again regaining the Central Gopher Conference title.

Each year the volleyball team is gaining confidence and respect as a team. Although the season did not go as well as some wished the girls still managed to enjoy the sport they were playing.

The basketball teams were showing signs of improvement this year. There were several close games which were unfortunately lost, but who's counting? Each team member should be congratulated for his or her dedication.

The wrestling team has had a fairly successful season considering how young the team is. Each member should be proud of the hard work and time spent practicing.

Intramural has gained popularity at AHS this past year. This was an unusual sport to watch. Since it was apparent that each player needed to have three things in mind: 1) Having fun, 2) self defence, 3) SURVIVAL!!!

The dedication of team members in spring sports could be seen throughout the year. They were seen either working out outside or inside of school.

Advisor: Mary Jackson

The Annual Staff consists of many dedicated and creative students who spend a lot of their time working on pages in order for A.H.S. students to have a yearbook in the spring. Many students do not realize how much work goes into making a yearbook. Pages must be carefully designed, copy must be written and typed, pictures must be taken and cropped, and most of all *Deadlines* must be made. The staff realizes how much memories mean to the students and we try to make a unique book where the past year's memories can be kept forever.

The Student Council also takes turns in running the concession stand for high school sport activities. This year they placed a vending machine in the lunchroom to raise money. The money will go to causes such as camps, workshops, conventions, and scholarships. Many thanks to the Student Council for their time and effort in trying to make school more bearable.

The Albany High School Drama Club tries to offer students an experience in the performing arts. Under the Direction of Miss Beach, the group's main purpose is to teach students self-expression and creativity.

This fall they tried something new and performed three short plays, "My Cup Runneth Over", "The Sand Box", and "Echoes". The audience really enjoyed "A Night At The Theatre".

In February the Drama Club took "The Interview" to Districts and then on to Regions. The Albany Choir has developed a prominent group of voices under the direction of Mr. Stumo. These voices have been developed by the new and fascinating voice building techniques. For example "Brrring", "Relaxation", and "Breathing" are steps used every day in rehearsal. The choir has entertained the community with Fall, Christmas, and Spring Concerts. Many individuals and small groups have participated in state and district contests. The choir has also been busy with fund raisers such as raffles, a car wash, and a spaghetti dinner. This money will be used for a future trip to Six Flags Amusement Park in Chicago. The hard work, dedication, and talent has paid off for the success they've had.
